John Jones, Vice President
Wildflower Energy LP
909 Fannin, Suite 2222
Houston, TX 77010

Dear Mr. Jones:

The current, proposed site for the Indigo Energy Facility is served by both the Riverside County and Palm Springs Fire Departments. Because of an agreement between the two agencies initial or first response to the project site will be from Riverside County's fire station located 1 ½ miles away. If additional assistance is needed than units from the Palm Springs fire department will respond from their closest fire station located 5 ½ miles away.

This agreement is for emergencies responses only. Because the project site is within the jurisdictional boundaries of the City of Palm Springs; all permitting and inspection services will be conducted by the appropriate entities within the City.

If you require any additional information or assistance please call me at (760) 323-8187.

Sincerely,

Carl Thibeault, Fire Marshal
